# Wearable Technology

2

## IrisVision

SKU: TEC-112-000-0706

**\$3,295**

IrisVision uses proprietary software loaded onto a Samsung smartphone combined with a Samsung Virtual Reality headset. Powerful Artificial Intelligence adjusts images in real time with up to 12X magnification and 70-degree field of view. See objects up close in the IrisBubble without losing context of the overall scene. Various modes for watching television, reading or general viewing.

3

## OrCam MyEye 2.0

SKU: TEC-112-000-0705

**\$5,800**

The OrCam MyEye 2.0 snaps magnetically onto any eyeglass frame. A 13-megapixel camera captures an image, translates text into synthesized speech and relays information to a speaker discretely near your ear. Read books up close and store signage over 8 feet away. Rechargeable battery and leather carrying case included.

4

## Dot Watch

SKU: TIM-143-144-3200

**\$519.95**

This Braille smart watch is equipped with a mini refreshable display of four cells and 24 dots. Not only does it tell the date and time, but with the app, you can check the weather, read messages and much more. Vibrations discretely notify you of incoming calls. Includes magnetic charging cradle and rechargeable battery.

5

## BuzzClip 2 Wearable Mobility Tool

SKU: TEC-101-000-0221

**\$249.95**

This discreet innovative device uses ultrasound to detect obstacles. Not intended to replace a cane, but should be used in combination with a cane or guide dog. Through a series of vibrations, it helps navigate users around obstacles at the upper body and head level. Both a wearable and handheld device. Micro-USB charging cable included.

# Video Magnifiers

Here, you'll find a great selection of video magnifiers with a variety of options to suit your needs. Whether you're trying to read tiny print at home or a far-away street sign on-the-go, we have what you're looking for.

6

**Smartlux Digital Portable Video Magnifier**  
**SKU: MAG-080-120-6094**

**\$595**

This handheld video magnifier features a 5" LCD screen with five viewing modes. Magnification adjusts to 5X, 7X, 9X and 12X. Includes hard foam case, cleaning cloth and charging device (replacement charger also available #MAG-070-000-6060).

7

**Ruby XL HD Video Magnifier**  
**SKU: MAG-082-140-6090**

**\$895**

**SPECIAL PRICE: Save \$100 off the retail price!**  
**Order yours before January 31, 2019 and pay only \$795.**

Magnifies images up to 14X on a 5" screen. Features a flip-out handle and brightly coloured tactile buttons.

8

**Pebble HD Video Magnifier**  
**SKU: MAG-082-010-6291**

**\$595**

Features a 4.3" display screen and high definition camera, plus the convenient handle allows for usage in various positions. Offers five levels of magnification (4.5X, 5.5X, 7.9X, 9.5X and 13.5X).

9

**Explore 5 Video Magnifier**  
**SKU: MAG-080-220-6090**

**\$799**

**Save \$150 off the retail price! Orders yours before January 31, 2019 and pay only \$649.**

Features a retractable handle and 5" LCD screen. Continuous magnification from 2X to 22X.

# Video Magnifiers

10

**Explore 8 Portable Video Magnifier**  
**SKU: MAG-080-300-6090**

**\$1,399**

**Save \$100 off the retail price! Order yours before January 31, 2019, and pay only \$1,299.**

This portable video magnifier is equipped with twin HD cameras for desktop and distance viewing. Features an 8" touchscreen and stable folding stand. Magnify images 2X to 30X.

## IMPROVE THE QUALITY OF YOUR LIFE

Small, smart and easy to use, the explorē line is designed to improve your ability to read with various magnification levels and adaptable lighting. Whether you're reading novels, mail, newspapers, recipes or restaurant menus, explorē electronic magnifiers will help you rediscover your favourite activities!

With explorē electronic magnifiers,  
live an active life!

# Braille Devices

11

## **Brilliant BI14 Braille Display** **SKU: TEC-103-140-4200**

**\$1,325**

The lightweight Brilliant BI14 is portable and designed for users on the go. Equipped with 8-dot braille input keys and 14 braille cells, keep braille at your fingertips anytime, anywhere. Pairs instantly with up to 5 iOS devices at once. Micro-USB for charging and connection to a PC. Approximately 6.5" by 4" by 1" weighing 0.63 pounds.

12

## **SMART Brailer** **SKU: WRI-033-007-1020** **SKU: WRI-033-007-1021**

**Blue**  
**Raspberry**

**\$2,995**

Teach and learn braille through visual, tactile and auditory feedback using the SMART mechanical Brailer. The 4" built-in screen displays SimBraille as well as large print. Emboss 28 cells per line with 26 lines per page. Edit, save and transfer brailled documents to a computer using a USB flash drive. Rechargeable and removable battery.

13

## **Perkins Classic Brailer** **SKU: WRI-033-000-1000** **SKU: WRI-033-000-1020**

**Grey**  
**Blue**

**\$1,295**

Use this sturdy, metal standard Perkins Brailer to emboss 25 lines with 42 cells. Features include adjustable margin guides, large paper feed knobs and ergonomically designed plastic keys. Includes dust cover and wooden eraser.

14

## **Orbit Braille Reader 20** **SKU: TEC-888-888-8888**

**\$499**

Affordable, refreshable and portable, the Orbit Braille Reader 20 features 20 eight-dot refreshable braille cells, eight braille input keys and space bar. Reads files stored on an SD card and connects to computers and mobile devices via USB or Bluetooth™ for use with a screen reader. Developed in conjunction with other leading blind organizations around the world, CNIB is the exclusive Canadian distributor.

# Canes

Interested in purchasing a white cane? CNIB Shop is home to a large assortment of canes for people of all ages and levels of mobility. We also carry the most commonly needed spare parts and accessories. Visit [shop.cnib.ca](http://shop.cnib.ca) or call **1-866-659-1843** to browse our canes and accessories or learn more.

If you are not a white cane user but believe a cane could help you, please contact your local CNIB office directly or call the CNIB Contact Centre at **1-866-659-1843** to speak with a CNIB service specialist.

# Clocks and Watches

15

## Talking Pyramid Alarm Clock

**SKU: TIM-230-320-3019**

**\$27.95**

Enjoy this compact talking clock, shaped like a pyramid for easy identification and modern style. Simply press the top of the pyramid to hear the time. Set the alarm to rooster, beep or cuckoo and adjust the volume as you please. Requires four AA batteries (not included).

16

## Talking Clock with Alarm and Temperature

**SKU: TIM-230-520-3721**

**\$26.95**

This simple black talking alarm clock not only speaks aloud, but also showcases a crisp LCD screen that displays the time, date and temperature in either Fahrenheit or Celsius. Features two built-in alarm functions with beep or rooster sounds. Requires two AA batteries (not included).

17

## Reminder Rosie Talking Alarm Clock

**SKU: TIM-230-520-2010**

# Lighting

77

**Ottlite Desk Lamp with 2X Magnifier**  
**SKU: LIT-114-013-5030**

**\$144.95**

Two flexible arms allow both light and magnification to be directed where needed. See fine details with the 5" optical grade rimless 3X magnifier or get even closer with the 1" 5X insert.

78

**Ottlite 13W Task Lamp Black**  
**SKU: LIT-104-018-5012**

**\$79.95**

Simulating nature's daylight and using up to 80% less energy than traditional lighting, this lamp reduces glare and is great for studying, crafts, sewing or reading. Weighs under 4 lbs., and is easy to mount.

79

**Floor/Table Magnifying Lamp LED 2X**  
**SKU: LIT-316-021-6020**

**\$139.95**

This sleek black lamp works as both a floor lamp (measuring 44" tall) and a table lamp when the adjustable pole is removed. Featuring a 5" lens with 2X magnification surrounded by 21 LEDs, this convenient tool will help to illuminate and magnify books, magazines, detail tasks and more.

80

**Daylight Floor Lamp with LED Bulb**  
**SKU: LIT-320-020-6001**

**\$199.95**

Features flexible arm to easily direct light. Energy-saving 15-watt LED bulb reduces glare and improves contrast. Lamp includes clear ON/OFF switch, anti-trip cable holder, adjustable height and low heat shade.

**SKU: DAI-122-011-1024**

**\$525**

**Victor Reader Stratus 12M - Configured**  
**SKU: DAI-122-011-1025**

The Stratus 4M and 12M are user-friendly audio players that play DAISY (Digital Accessible Information System) and MP3 books, as well as music on CDs, SD cards and USB flash drives. Once the units are “configured” by CNIB’s technicians to your wireless Internet services, DAISY books can be downloaded directly to the unit. The 4M has four arrow keys while the 12M has a 12-key number pad. Powered by rechargeable Lithium-polymer battery.

113

**Plextalk Linio Desktop - Configured**  
**SKU: DAI-124-111-9011**

**\$495**

If you have a wireless Internet connection in your home, this may be the perfect audio book player for you. Once set up, you will be able to download DAISY audio books right from your own home. Easily navigate by chapter, page or paragraph, perform searches using the rubberized keypad and vary playback speed and pitch. Sleep function shuts unit off automatically. A voice guide and built-in user’s guide are also included.

114

**Victor Reader Trek Book Player and GPS**  
**- Configured**  
**SKU: DAI-121-311-9002**

**\$895**

Two products in one! The Trek combines technology from the Victor Reader Stream with the Trekker Breeze. Not only can you read books and listen to podcasts but you can also check your location. The press of one button will tell you the nearest address, direction of travel and describe the next intersection.

**Order by phone! 1-866-659-1843**

## **Terms of sale**

### **Prices and specifications**

All prices, descriptions and shipping charges were accurate at the time of publication but are subject to change without notice.

### **Returns**

Most items can be returned with invoice or packing slip for credit or refund within 30 days of sale. Shipping charges are non-refundable and items used directly with the body (e.g., eye dropper) cannot be returned unless defective.

### **Warranty and repair service**

Products requiring repair or service under warranty should be returned to the manufacturer. Call **1-866-659-1843** for warranty and repair assistance.

### **Warranty coverage**

Modifying a product will void the warranty. CNIB will repair or replace a defective product.
